Welcome

Welcome to our Winter-Spring 2005 Recreator!

We have many exciting new programs for you and your family to experience, in addition to the tried and true old standbys that you've enjoyed so much in the past.

Winter time brings our activities to the indoor setting, so I hope that you can take advantage of our Community Center and the Aquatic Center, continuing to exercise your mind and body as the winter months continue.

Before we know it spring will be here, which brings the welcome changes of a season full of new beginnings, challenges and opportunities. Our department will be moving ahead and embracing our bright future by finishing up our Vision Plan – a master plan for the next 40 years of program and facility growth and expansion. We will also be holding public meetings for designing a new Nature Center, to be located at the Heritage Park. Meetings will be held in the Activities Room at the Blacksburg Community Center on January 19, February 2 and February 16 from 6:00pm to 7:30pm.

We remain dedicated to the recreational development of this special place and hope to see you and your families frequently around our parks, trails, facilities, and participating in our programs!

Sincerely,

Dean B. Crane
Director

- Refunds under \$25 will only be credited to your household account.
- No refunds will be given if the program required a non-refundable charge.

PARTICIPATION OPEN TO ALL

All programs are available without regard to race, color, sex, age, religion, national origin, political affiliation or handicap.

INCLEMENT WEATHER POLICY

- Cancellations for programs, games and facilities please call our Cancellation hotline #: 558-0742
- All Senior Programs are on the Montgomery County Schools inclement weather-closing schedule.

WAIVER INFORMATION

In order to complete the registration process for a Parks and Recreation Program either the adult participant or the Parent or Guardian of a child will be asked if they agree with our Liability Waiver, and recorded electronically on the computer. Our waiver consists of the following:

ASSUMPTION OF RISK IN CONNECTION WITH PARTICIPATION IN RECREATIONAL ACTIVITY

1. In consideration of the acceptance of my application for entry in the above event or class, I hereby waive, release and discharge any and all claims for damages for death, personal injury or property damage which I may have as a result of my participation. This release is intended to discharge in advance the Town of Blacksburg and its agents and employees for and against any and all liability arising out of or connected in any way with my participation in said event or class, even though that liability may arise out of negligence or carelessness on the part of the persons or entities mentioned above.
2. I understand that serious accidents occasionally occur during recreational activities, sports, outdoor activities, or fitness activities, and that participants occasionally sustain mortal or serious personal injuries, and or property damage, as a consequence thereof. Knowing the risks of the particular activity for which I have registered, I hereby agree to assume those risks and to release and hold harmless all of the persons or entities mentioned above who (through negligence or carelessness) might otherwise be liable to me (or my heirs or assigns) for damages.
3. It is further understood and agreed that this waiver, release and assumption of risk is to be binding on my heirs and assigns.
4. I give the Town of Blacksburg the right to use photographs of me, participating in this program, in its own promotional materials.
5. I agree to accept and abide by the rules and regulations of the Town of Blacksburg Parks and Recreation Department.
6. I give consent to allow a doctor to administer emergency treatment to me, or my child, if needed.
7. Please inform of any medical problems such as allergies, asthma, allergic reaction to bee stings, etc.

Municipal Golf Course

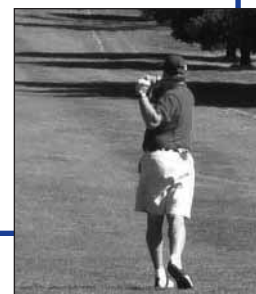

Snow falling? Temperature sinking? Golf clubs collecting dust?

We can sympathize. But while you're waiting for spring's arrival and the opportunity to hit the links again, don't forget to keep yourself in shape. It may be too cold to swing a club, but you can always walk the rolling hills and soak in Blacksburg's best view.

And while you may not be able to play, you can make sure you're well equipped when the weather finally does break. Our pro shop is fully stocked with all you'll need to load up your golf bag. Golf balls, bags, clothing, shoes, spikes and even a new set of custom fitted clubs might be just what you need to get your 2005 golf season started. Gift certificates are also available.

So, just because Mother Nature isn't cooperating, don't forget your golf game during these long winter months. Spring will be here before you know it.

DANCE CLASSES

Enjoy the many benefits of partner & social dance. It's fun, provides many health benefits, a mental diversion from stress, a great way to meet people...and it's fun! With limited class size and no partner required, these classes provide the right atmosphere for everyone.

Higher-level classes have pre-requisites. (e.g. Intermediate 1 classes require knowledge of material covered in Beginning 1 & Beginning 2.) With approval, previous partner dance experience can replace pre-requisites. Though all Beg 1 level classes are open to new dancers, 6-week classes are more "Beginner Friendly" than 3-week classes. Contact Linda Stancill, Instructor with any questions about the class content or appropriate level for you (382-8782, info@sapphiredance.com).

RED CROSS LEARN TO SWIM PROGRAM "UPDATED"

The Blacksburg Aquatic Center uses American Red Cross swimming and water safety courses to maintain the quality, consistency and credibility of the Aquatics Program. The facility utilizes certified water safety instructors who are specifically trained in swimming instruction. Descriptions of each Learn to Swim level are continued on the next several pages.

WATER BABIES (6-18 months) (Parent's Participation Required)

The goals of Water Babies is to provide experiences and activities for parents and children to: learn how to enter and exit the water safely, feel comfortable in the water, submerge, explore buoyancy, change body position in the water and learn about choosing and using life jackets.

WATER BUGS (18-36 months) (Parent's Participation required)

The goals of Water Bugs are to provide experiences and activities for parents and children to Learn how to enter and exit the water safely, feel comfortable in the water, submerge in a rhythmic pattern, explore buoyancy, perform combined strokes on front and back, change body position in the water, and learn about choosing and using life jackets.

LEVEL 1 – GUPPIES (3-5 years)

(Parent's Participation Required)

The objective of Level 1 is to help participants feel comfortable in the water and to enjoy the water safely. Elementary aquatic skills taught at this level provide the skill base that participants build on as they progress through the Learn to Swim levels. Skills taught include: front floating, back floating, blowing bubbles, combined stroke on front with support, and combined stroke on back with support.

LEVEL 2 – SEA TURTLES (5+ years)

Prerequisite: Level 1 or must be able to demonstrate requirements for level 1. The objective is to give participants success with fundamental skills. Participants learn to float without support and recover to a vertical position. This level marks the beginning for true locomotion skills. Participants explore simultaneous and alternating arm and leg actions on the front and back to lay the foundation for future strokes. Skills taught includes: front and back floating unsupported, front and back glides, combined stroke on front and back.

Aquatic Center Programs

LEVEL 3 – STING RAYS

Prerequisite: Level 2 or must be able to demonstrate requirements for level 2. Skills taught include: front crawl, back crawl, butterfly kick, beginning diving skills.

LEVEL 4 – SWORDFISH

Prerequisite: Level 3 or able to demonstrate requirements for level 3. Participants improve their skills and increase their endurance by swimming familiar strokes for greater distance. Skills taught include: breaststroke, treading water, elementary backstroke, diving skills, butterfly, open turns.

LEVEL 5 – DOLPHINS

Prerequisite: Level 4 or be able to demonstrate requirements for level 4. Skills taught include: breaststroke, sidestroke, flip turns, treading water, surface dives.

LEVEL 6 – ORCAS

Prerequisite: Level 5 or able to demonstrate requirements for level 5. The objective of level 6 is to refine strokes so participants swim them with more ease, efficiency, power and smoothness over greater distance. Level 6 is designed with "menu" options – Personal Water Safety, Fitness Swimmer and Lifeguard Readiness.

ADULT CLASSES – GET WET

An introductory water program designed for adults or teens that may be fearful about participation in water activities. Instructors will provide an extra amount of patience and understanding while developing fundamental skills in basic water safety, water adjustment and swimming techniques.
